

## SB 450 -- URBAN SCHOOL DISTRICTS

A school district is classified as an urban district when it encompasses at least half of a city of 70,000 or more inhabitants. This bill specifies that any school district in St. Charles County that becomes an urban district as a result of the 2010 federal decennial census will continue to have a three-year school board member term length and hold its election at the April general municipal election. Ft. Zumwalt School District is the only district to which these provisions apply.

The bill contains an emergency clause.
